## EDITORIAL IN REVIEW ORDER

This time of the year is usually met with the mixed emotions of uncertainty. Everything from "Thank heaven it's over" and "Let's have Christmas every five years", to the sincere expression of gratitude that we were mostly able to enjoy the past one.

We ourselves have not decided into which category we should cast our vote, but do believe we should pass out a few bouquets to local residents who have made the last year the community success it was. Also, as we ease into our third year of publication, recognition to those who have helped us in preparing the Bugle.

From a community point of view, the most outstanding project through 1960 was the completion of the curling rink. While this in the main was a self-help project, much of it would have been undone without the firm guidance of Foreman of Works (WO1) Lew Jarvis. Here, as in so many of our local projects of the past, Lew has been the guiding light. The Snack Bar would still be a hot dog stand without his knowledge and industrious attack in its construction. To Mr. Jarvis and all members of 13 Works Company the residents of Griesbach owe much. Perhaps in the naming of the building, their efforts should be recognized.

Consider this together with the numerous other behind-the-scenes every-day organizations that help make Griesbach tick. The Commissioners and Leaders of the Scouts, Guides, Brownies and Cubs; the organizers of the individual Junior Sports — football, tennis, baseball, rifle, boxing and hockey; the Safety Organizations — Safety Patrol and Pedal Pushers; the helping hand of the Fire Fighters in any number of these projects; the Chapel and school groups; the Young People's Association; the Councilors and the many individuals too numerous to mention who go out of their way to make things more enjoyable around the area. These are the unsung contributors to the what otherwise could be a very drab community.

In our own corner with the Bugle, we too have our gratitude — to the many who provide us with the necessary copy, photos and advertisements to make up each issue. As we enter another year of commercial publication, we must admit that while we will never become a serious threat to the two major newspaper chains, we do enjoy the few hectic days that it takes each month to assemble the paper. And we have the ulcers to prove it.

It is our earnest hope that the co-operation received by ourselves and all organizations in Griesbach over the past year will increase through 1961.

### Griesbach Community Library

Quite a number of very good books have been donated this month which are acknowledged with thanks. There is still a particular need of books suitable for young teens. It is estimated that two-thirds of the library circulation is to persons under sixteen and only one-third or less are books that they enjoy reading. The selection to adults is reasonably good and a higher circulation of these books is expected after the holidays. The circulation during the past month has been around 140 books per week which is lower than last month.

Would persons holding overdue books please return them as soon as possible in order to give someone else a chance to read them.

Library hours are Monday and Wednesday evening from 7:00 to 9:00 and Saturday morning from 9:00 to 11:00. However, the library will be closed December 24th, 26 and 31st and January 2nd. Use of the library is free to PMQ residents and everyone is invited to come in and use the books.

### FIRE CALLS

Alarms answered by the Griesbach Fire Department in the month of November:

12.50 hrs., November 2nd — Senaca Place. Emergency.

14.09 hrs., November 4th — 145th Ave. and 104th Street. Sprinkler Alarm.

11.24 hours, November 5th — No. 1 School. Fire in chair.

11.40 hrs., November 10th — Queens-town Crescent. Emergency.

### Christmas Tree Disposal

Christmas trees will be picked up in the PMQ Area commencing at 0800 hours Friday, January 6th, 1961. Occupants are requested to place their trees near the road in front of their PMQ, prior to that time.

The normal garbage pick-up will not take trees at any time and occupants will, therefore, be responsible for removal of any trees after January 6th.

Please make certain your children do not play with, remove or accumulate trees which are awaiting removal.

## Armed Services Receive Gold Award

This Gold Award was presented to the Armed Services in the Edmonton Area at the United Community Fund awards dinner, which was held in the Jubilee Auditorium on December 2nd. Lt-Col. C. A. Todd, the Army Co-ordinator, attended along with the Co-ordinators of the RCN and RCAF, Lt. D. MacDonald and S/L E. C. Kerslake. Col. Todd, on behalf of Major-General G. Walsh and Brigadier J. S. Ross, the Chairman and Deputy Chairman respectively of the Armed Services Division, was called upon to accept this award on behalf of the Armed Services in the Edmonton Area.

This award is made only for outstanding contributions to the Fund. The inclusion of the Armed Services in the small group of recipients is an Honour of which all servicemen and associated civilians may well be proud.

Of the Armed Forces target of \$10,000.00 a total of \$9,702.59 was realized. This result is not disappointing because the target was considered to be an exceedingly ambitious one.

Contributions by the various services were as follows:

RCN .....	\$ 126.50
Army .....	5,044.44
RCAF .....	3,916.65
RCMP .....	600.00

In addition to financial contributions the Armed Services helped in the programme by the participation of bands, notably the PPCLI Regimental Band, the 2 PPCLI Corps of Drums and the RCAF Training Command Band, and by material assistance in staging various functions during the campaign.

The results of this campaign have once again underlined the position of the serviceman as an active member of the community in which he lives. All those who contributed or assisted in any way during the campaign are to be congratulated.

## Our Cover

Our cover this month shows 1960 in review. A full and active year in Griesbach Barracks has brought many new activities and events. Among them, but by no means all of them, were: Upper left, children from both schools crowd around Governor General Vanier and the General Officer Commanding Western Command, Maj. Gen. Geoffrey Walsh, during the vice-regal visit to Griesbach.

Upper right: For the first time in the history of Griesbach a full fledged football team represented us. Photo shows the promotion parade sparked by the teenagers in camp which resulted in funds for uniforms and equipment.

Lower left — A fall highlight was a fire prevention contest and parade of decorated bikes, carriages and small floats.

Lower right — Against a more than stiff breeze the Queen's Colour and Regimental Colour 2 Bn. Princess Patricia's Canadian Light Infantry pass in review before the GOC during his annual inspection of the unit.

Centre — A top notch summer event was the annual Griesbach Fair. Here children enjoy themselves on the Ferris Wheel.

## COMPLETE CIVIL POLICE COURSE

Brigadier J. S. Ross, Alberta Area Commander, congratulates Lance Corporal H. King, left, and Lance Corporal J. R. Davis, centre, on completion of their six-week course. (National Defence Photo)

### Police Course Graduates

Edmonton, Alta. — Two military policemen were among 14 candidates to graduate from a six-week course held by instructors from the Edmonton city police and the RCMP.

They are Lance Corporal J. R. Davis and Lance Corporal H. King, both from the Edmonton detachment of the Western Command Provost Company.

The course consisted of training in traffic laws, civil law, judo, first aid, firearms, drill and all aspects of police duties. First started in Edmonton in 1958 and sponsored by the Attorney General Department, this is the first time army policemen have attended the course. They have attended previous courses held by Calgary police.

The purpose of the school is to train police from urban areas to the high standard of police work of the Edmonton and Calgary police departments.

The opening address was given by Mr. E. E. Buchanan, inspector of jails for Alberta, and was followed by a talk on civil law by Chief Justice Hugh John Macdonald.

Other dignitaries attending the graduation included M. F. Anthony, Edmonton Chief of Police and Brigadier J. S. Ross, Alberta Area commander. Certificates were presented by Mr. John Hart, Q.C. of the Attorney General's department.

Sergeant Major George Mitchell, Edmonton City Police drill instructor, was in charge of the parade.

### Soest Council Honour 4th Brigade

SOEST, Germany. — The 1,000-year-old German town of Soest, and the county which bears its name, bestowed the highest honour ever given a foreigner at a special council meeting on December 12th when they paid tribute to the Commander of the 4th Canadian Infantry Brigade Group, Brigadier D. C. Cameron of Alexandria, Ont.

The old town, which dates back to Charlemagne's empire in the early ninth century, for the first time in its history invited a non-elected person to preside at a special council meeting. The extraordinary session of the town council wrote into its archives public tribute and appreciation to Brig. Cameron for the harmony and close co-operation which Germans and Canadians have enjoyed during his three years' command of Canada's NATO Brigade.

The elected council of the county of Soest, which represents more than 20 villages and 120,000 residents in the area, also officially tendered its thanks at the same public meeting.

The unique ceremony took place in the historic town hall, originally built about 200 years before Columbus discovered America.

The bestowal of the civic honours by his German hosts preceded by a week the departure of Brig. Cameron for the United Kingdom where he will attend the Imperial Defence College.

In medieval times, Soest was one of the main way stations on the commercial salt route between Salzburg, Austria and cities on the Baltic sea. The oldest town in the province of Westphalia, it was one of the founders of the former Hanseatic League and at that time its population was about the same as today's 35,000.

The records in which Brig. Cameron's name and the tribute to the Canadian Army brigade was entered are as old as the town itself.

Succeeding Brig. Cameron as commander of the overseas brigade will be Brig. C. B. Ware, of London, Ont., who has been attending the 1960 course

## Canadian NATO Brigade Honours U.S. Army in Europe

A fifty-man guard of honour, commanded by Captain G. N. Giles Perodeau of Montreal, recently took part in ceremonies at Stuttgart, Bavaria, honouring the United States 7th Army's first decade of service to the NATO shield. The Canadians, members of the 1st Battalion, The Canadian Guards, serving in the 4th Canadian Infantry Brigade Group, are seen as they march past the reviewing stand at the conclusion of the ceremonies. ## ATOMIC WARNING SIREN

This 10-horsepower siren atop No. 10 Fire Station Lauderdale, is similar to those eventually to be installed in Beverly, Jasper Place and other districts surrounding Edmonton. The Canadian Army is responsible for warning the public in the event of a nuclear attack, and here Sgt. Bill Dunster, 13826 - 102A Street, Griesbach Barracks, inspects the siren as part of his job with the Royal Canadian Engineers. The RCE is responsible for supervising the installation of sirens and maintaining them. Progress of installation is expected to be completed by late summer of 1961.

## GRIM TRAINING

Members of the Royal Canadian Ordnance Corps stationed at No. 17 Regional Ordnance Depot, Griesbach Barracks, Edmonton, Alta., take a practical examination in first aid as part of the Canadian Army's training for its role in national survival.

Staff Sergeant Tom Skelton, left, of Victoria, B.C., treats Corporal Al Pringle of Fillmore, Sask., for a broken arm and radiation burns to the face. The training is being given by members of No. 10 Medical Detachment, Royal Canadian Army Medical Corps, at Edmonton as part of a command-wide program in Western Command to ensure all Regular Army soldiers are qualified to the fundamental first aid standard of the St. John Ambulance Association.

## To Replace Congo PRO

OTTAWA. — Captain F. Jefferies, of Calgary and Edmonton, will be posted to the 57th Canadian Signal Unit in the Congo this month as Public Relations Officer, Army Headquarters announced recently.

An officer of the Queen's Own Rifles of Canada, Capt. Jefferies is now Photo Editor in the Directorate of Public Relations at Army Headquarters, Ottawa.

He will replace Capt. E. M. C. Jackson, of Ottawa and Vancouver, who will return to Public Relations at Army Headquarters.

An officer of the Black Watch (Royal Highland Regiment) of Canada, Capt. Jackson has been serving as PRO with the Canadian contingent of the United Nations Force in the Congo since August.

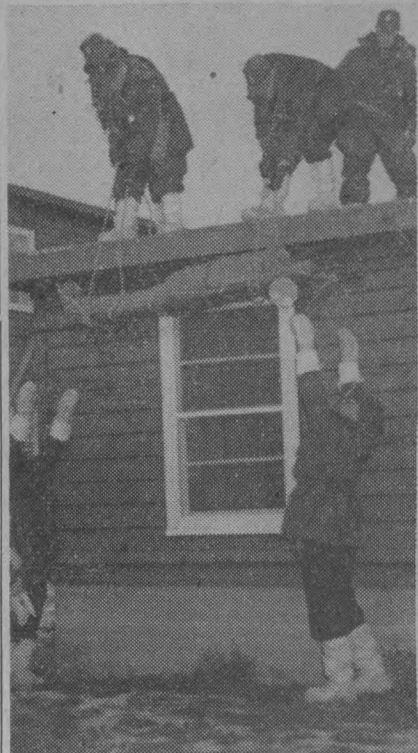

## Cheer Year from the Recruiting Station

The recruiting staff, as another New Year approaches, have their annual feeling of guilt — not because of the steady stream of 811s they submitted throughout the year, but because of the number of young lads they processed for enrolment who will be spending their first Holiday Season away from home.

There is, of course, some comfort in knowing that these young men are launching themselves on a fine career — and as the years go by they will feel more at home no matter where they spend their holidays.

The Officer-in-charge and his staff of recruiters wish to extend their heartiest good wishes to all the staff and readers of this excellent paper.

## Canadians Finance Gift

RAFAH, Egypt. — Canadian soldiers in the United Nations Emergency Force, gave Palestinian refugees in the Gaza Strip a maternity hospital and well-baby clinic for Christmas.

The refugee project, one of the largest Christmas welfare plans ever undertaken by Canadian servicemen overseas, will cost an estimated \$6,000 and will be entirely financed by the 800 soldiers of the Canadian Army contingent in Egypt.

Construction of the hospital got under way before December 25th, and the project became the centrepiece of Christmas activities at Camp Rafah.

The plan was sparked by Canadian vis-

its to UNRWA (United Nations Relief and Works Agency) refugee camps in the Gaza Strip, where upwards of 250, Palestinians are housed.

In one of the camps at Khan Yunis, just five miles from Rafah, the Canadians found the maternity hospital has been closed because of an outbreak of infant tetanus.

Major F. T. Burgess, of Ottawa, chairman of the Christmas project, said the conditions, while the best UNRWA can provide, leave much room for improvement by Canadian standards, so right away it was decided to do something about the matter. UNRWA officials and doctors have greeted the Canadian offer with unconcealed de-

## Griesbach Sergeants' Mess Host to Children

Divide eight hundred forty dixie cups, one hundred ten dozen hot dogs, sixty dozen soft drinks and two hundred fifty pints of milk into four hundred fifty children and you come up with the sum total of a lot of satisfied youngsters.

On Saturday, December 10th, through the combined efforts of the Griesbach Sergeants' Mess and the Ladies' Club, the children of member enjoyed "their day" to the utmost. Santa blew in and with his usual generosity provided each child with his or her first gift of the season.

This, coupled with the mountain of food, movies and entertainment, provided a day to remember for not only the children but the accompanying parents who attended this annual event sponsored by the Griesbach Sergeants' Mess.

light. R. L. Fisher, UNRWA director in Gaza, said, "This is a material advance that will do untold good over the years, we are in desperate need of this hospital and are delighted the Canadians have stepped in with this offer."

The hospital, made possible by extremely low building costs and the simple construction requirements of the desert climate, will provide 18 maternity beds and a well-baby clinic capable of handling 300 mothers and their children per day.

Colonel H. T. Fosbery, Ottawa, Commander of Canadian Base Units, Middle East, during a meeting of all ranks to approve the scheme, said, "We want to do something tangible for these people, and we want it to be a permanent memorial of our service over here."

Christmas with the Canadians in this biblical land included religious services and all the traditional trimmings of turkey dinners as well as festive trees flown in by UNEF from Norway, and Christmas day leave in Jerusalem for eight soldiers. But

the Khan Yunis hospital project was the biggest present under the Canadian Christmas tree in Egypt this season.

NEW ARRIVALS to COMMAND HEADQUARTERS

Sergeant Des Wainright of Toronto, Ont., recently arrived from Headquarters, 4th Canadian Infantry Brigade Group, Germany, where he served from 1957 to 1960. He is presently employed with the Command Intelligence section.

Sergeant Joe Dubble of Vernon, B.C., has been posted here from Camp Wainwright, where he was employed with the Maple Leaf Services. He is now with the Camp Commandant staff.

Sergeant Henry Gelinias of Quebec City, recently arrived from the Army Development Establishment in Ottawa. He is with the Command Film Library as a projectionist clerk.

ST. JOHN'S AMBULANCE

Ottawa. — Under direction of the Army's Adjutant-General, Maj.-Gen. J. D. B. Smith, a widespread program has been instituted in both regular and militia forces eventually to give all troops the official St. John's Ambulance first aid training as a fundamental part of national survival preparedness.

More than 17,000 soldiers already have qualified for their first aid certificate. Courses for all ranks in the Army are continuing throughout the country. No officer or other rank of the regular Army is exempted and Gen. Smith was among the first to qualify in the Ottawa area.

Col. A. G. Cherrier, Executive Commissioner of the St. John's Ambulance in Canada, said in Ottawa that nation-wide knowledge of first aid fundamentals could play a most important part in recovery from any nuclear attack. This training, he added, is equally valuable to all individuals in their daily routine of life.

This point was emphasized during a serious train wreck in northern Ontario about one year ago. A number of soldiers on the train who had recently completed their first aid training, rendered valuable

emergency assistance to injured fellow passengers awaiting the arrival of doctors and nurses.

In 1951, the Civil Defence authorities designated the St. John's Ambulance as the official organization for teaching first aid.

Since 1958, the Canadian Army has been conducting courses on a common first aid standard approved for Civil Defence personnel. It is based on the St. John's textbook, "Fundamentals of First Aid", written by Dr. Robert A. Mustard of the Department of Surgery, University of Toronto and the Toronto General Hospital.

So far this year, nearly 11,000 St. John's Ambulance first aid awards have been made to officers and men of regular and militia units across Canada. This is more than double the number awarded during 1959.

Most of the awards are for the St. John's First Aid Certificate which is for proficiency in the fundamentals. However, many soldiers who have gained this certificate volunteer for more advanced training which qualifies them for progressively higher awards.

All recruits in the Regular Army are now given St. John's first aid instruction

as part of their training. Army Headquarters in Ottawa is now conducting three seven-week courses with 30 members in each. In the first 10 months of this year, out of 847 soldiers in Ottawa who have received first aid instruction, 735 qualified for certificates.

Although the Army's participation in St. John's first aid training has been intensified in the past two years, there has been annual provincial military team competitions for St. John's trophies since 1922. In the past few years only the Army, of the three services, has entered the competitions. This year, 56 regular and militia units in all provinces competed.

Winning provincial teams then compete for the Mary Otter Trophy — the top St. John's Ambulance military first aid award. This trophy was donated for annual competition in 1923 by General Sir William D. Otter, the first Canadian Chief of the General Staff, in honour of his wife, Lady Mary Otter.

It is anticipated that the rate of first aid instruction throughout the Army will be accelerated so that as many soldiers as possible will be trained in the fundamentals of emergency care that will be so necessary if the harsh test of national survival ever becomes a reality.

Brownie and Guide Mothers

Due to the heavy schedule everyone has at this time of year, it was decided a December meeting would not be held.

January 17th is a most important date for us mothers. This is the time of year our annual meeting takes place. All the mothers are expected to attend. Please mark your calendar.

This meeting is held to entertain the Guides, Brown Owls and other leaders, all of whom have given so much of their own time and efforts. As there are at this time 142 Brownies and 69 Guides, this is no small effort. There are 239 people connected with this group.

The meeting will be in the form of a supper which Mrs. Johnson and Mrs. Oulette are convening. You may be contacted one day soon about food.

Reports on the year's activities will be given by each group. Information as to your child's progress may be obtained first hand, so let's all make an effort to attend.

The time and location have not been decided upon at this date. Notices will be sent out as soon as they have been settled upon.

It has been said that "the road to hell is paved with good intentions" and, if so, most of the paving is done at the beginning of the new year; for at no other time do we make so many high sounding and resolute resolutions. Yet the resolving is the easiest part. Words have always been less difficult than works. It is easy to promise. It is harder to fulfill the promise and in the daily round and common task we so often forget. One of the commonest confessions God hears is likely, "Father, I forgot."

One thing that will help us in this New Year is the realization that God never forgets. "He who keeps us slumbers not nor sleeps." We can look to Him with great expectations. He will never fail nor forsake us. This constant knowledge will give us strength for the day and faith for tough times. May this thought "be a lamp for our feet and a light for our path."

"I said to the man, who stood at the gate of the year, 'Give me a light, that I may tread safely into the unknown.' And he replied, 'Go out and put your hand into the hand of God. That shall be for you better than light and safer than any known way.' — King George the sixth's New Year's message in the first year of the Second World War.

THE PADRE.

## Sunday School Christmas Pageant

The St. John's Chapel Sunday School, some three hundred strong, gathered in No. 1 School Sunday night, December 18th, to present its annual Christmas Pageant and White Gift Service.

An appreciative audience of four hundred witnessed the children bringing forth their gifts and helped sing the beautiful Christmas Carols. Great credit for the production of the Pageant goes to the Sunday School Superintendent, Frank Rutherford, Marjorie Rutherford, who directed the Pageant, Gwen Jervis, who was in charge of costumes, Anne Wray, who assisted in directing the singing, and Olga Youmatoff who played for the Pageant. All the Sunday School staff helped in the preparation and its success indicates the co-operation of all.

The Sunday School has just completed a very successful term and we all owe a great debt of gratitude to those who so faithfully and loyally teach our children.

## S. John's Chapel Women's Auxiliary

A very enjoyable Christmas party was held on December 6th by the members of St. John's W.A. The evening was spent playing games. The Queen of the Festivities was chosen and the lucky lady was Joy Daniels. Flo Youmatoff received the prize as the "Best Actress."

The ladies exchanged gifts and Santa was on hand to see that each person received a gift. A very lovely buffet lunch was served at the end of the evening.

Special guests at the party were our three Padres, Lt.-Col. Duncan, Capt. Nickerson and Capt. Youmatoff.

On December 7th the members of the W.A. served coffee and cakes to the Confirmation Class and their families and friends.

The W.A. has sent a cheque to Col. Browne, Ottawa, for \$400.00 as our contribution to the Christian Medical Colleges in Ludhiana and Vellore in India. A donation of \$25.00 was also transferred to the W.A. stained window fund.

The annual meeting and election of officers will be held on January 24th, and any ladies who are interested are cordially invited to attend.

Wishing you a Happy New Year and all the Best for 1961.

## Sunday School Teachers

One of the greatest works anyone can do is to teach children about God. The Sunday School is of prime importance to our Chapel life and to continue its work teachers are greatly needed. Please contact the Padres, Chapel office or the Sunday School Superintendent, Frank Rutherford, if you will help.

### R. C. Command Chaplain's New Year's Message for 1961

At the beginning of the New Year, it is well for us all to recall that it is primarily a spiritual feast and not just the ushering in of a New Calendar Year.

The first solemn rite of the Jewish religion, by which a newborn infant is formally enrolled as a participator in the divine promises made to the chosen people, is the occasion of great rejoicing by all. This is recalled in the case of John the Baptist when all the family of Zachary united to do honour to the newly elected scion of the race.

There was no celebration, however, in honour of Jesus. The extreme poverty of the Child who had been born in a manger, precluded the usual rejoicing. He had come to free others from the yoke, but wished to subject Himself to it. His passion began with the circumcision; "He humbled Himself, becoming obedient to death, even to death on a cross." From His cradle to His cross, He trod only one pathway, the road of humiliation and blood.

At the beginning of the New Year then, we must write these words, "obedience — loyalty" in our hearts. Just as we loved the very walls of our father's home in the days of our childhood; just as we loved our buddies and companions, so also, we must love and obey our superiors, whose will is the will of God. We must perform our duties toward them, not because of fear, but because of reverence.

St. John Berchmans reached the heights of sanctity without any other mortification dience, to the rules of my society."

When pride puts suggestions of obedi-

nancy and rebellion into our minds, we than that which he practised by obedience. "My greatest penance," he said, "is obey must quickly conquer these inclinations, if we are to be instrumental in helping to overcome the spirit of rebellion in the world. Therefore, with good wills and generous hearts we will be free from humiliating slavery. It is our prayer that 1961 will not have us walk among thorns, but will find the roses of satisfaction in having fulfilled our duties to the best of our ability.

## Archery, Popular Family Sport

Archery has had its "ups and downs". It is a long cry from the time of its first use, some 25,000 to 50,000 years ago, when the aborigine of Europe roamed that continent as the native of Australia lives today, to the recent modern time when, to many of us, shooting a bow and arrow was mainly the sport of children playing Indian. The bow and arrow is one of man's oldest mechanical weapons and remains the principal weapon of many of our still existing aboriginal races and tribes on many parts of the earth. The bow belongs not to the Indian, not to Robin Hood or William Tell, but to us all, regardless of race, color, or creed.

With the coming of the firearm to our European forefathers in comparatively re-

cent times, the bow was retired to the realm of sport. In this capacity it has sporadically interested groups in various parts of the civilized world, particularly England, Canada and the United States, but has not flourished to the extent of many other sports.

And now again archery is having its "ups". Along with the revival of interest in all sports of the individual type, it is being used by a fast-increasing number of men, women, and children, as an absorbing leisure-time activity.

Those interested in obtaining membership in the Griesbach Archery Club should contact Sgt. Kowcun at GR 9-8411, Local 323, or after hours GR 9-6102.

## Griesbach Curling Club

A successful bonspiel was held at the local rink over two Saturdays, the 10th and 17th December. However, local teams did not fare too well in the distribution of prizes so possibly some general "toughening up" is required for future 'spiels.

Twenty-six rinks entered and the winners of the two events, with turkeys and hams as prizes, were:

### "A" EVENT

- First: Clark — 23 Mil. Gp. HQ.
- Second: Pringle — 17 ROD.
- Third: McIntosh — 17 ROD.
- Fourth: Birmingham — Canadian Legion.

### "B" EVENT

- First: Roberts — City Fire Dept.
- Second: Moore — City Police.

## Griesbach Badminton Club

The Badminton Club had a mixed doubles competition in which Mary Roderick and Norman Adamson came out on top of this highly contested series.

Members of the club were guests of the Namao Badminton Club and were very royally treated. The evening consisted of a friendly round robin series of single and mixed doubles and refreshments were later served.

The teen-age club, which meets on Tuesday evenings, is coming along in great strides. There is still room for new members. Any teen-agers interested in joining the club are invited to do so on Tuesday

evenings.

The Griesbach Badminton Club extend to all wishes for a prosperous New Year.

Club activities will again resume on the 2nd Tuesday and Wednesday of January.

## CALGARY GARRISON HOCKEY

The annual challenge hockey game between the Garrison Sergeants' Mess and the Queen's Own Rifles Sergeants' Mess was played at the Stampede Corral on Thursday, December 15th, with the Garrison Sergeants' Mess managing to stay with the much better conditioned Infanteers for a 3-3 tie.

The goal scorers for the Queen's Own were Sgt. John Hearne with two, Sgt. Chuck Davey one and S/Sgt. Bourgois picking up two assists. For the Garrison, it was Sgt. Joe Mills (one), Sgt. Ken Kliever (one and two assists) and Sgt. Hughes, one, with Sgt. Norm Morrison getting the assist.

Coaches Sgt. Bill Empey and Sgt. Al Roberts used a great deal of foresight for the game inasmuch as they brought along a bottle of oxygen to lift the sagging lungs of the Garrison team. No one was hurt in the set-to but there are a number of very stiff sergeants around the Garrison.

PPCLI Depot ran a milling contest off during the interval. Quite a thing to see. Lots of enthusiasm but little skill.

Immediately following the final bout, the Alberta Area, Brigadier J. S. Ross, DSO, CD, presented awards. Our congratulations go out to 2 PPCLI for an excellent boxing tournament.

2nd Door Prize, Men's — Paul Fox cheer.

3rd Door Prize, Men's — Jack White, glasses.

High team — Rollers.

Low Team — Five Pins.

Ladies' Low Triple — Dot McClure.

Men's Low Triple — Sam Rector.

The rarity of the evening and of the season was the three games bowled by Mel Ward of the Casuals, who came up with 175 in each of his games.

Bowling in the second section commences on Tuesday, January 3rd.

## Griesbach Business Ladies' Curling League

The first round robin of the season has been completed in the Business Ladies' Curling League, and while the ladies have been experiencing a little difficulty "reading the ice", there has been some very good games, with the final outcome not being decided until the last rock, or sometimes the "extra end." The calibre of curling is improving with each game, and it is not uncommon to see the ladies coming through with those "key shots" to count the extra point on a fine draw, or make an expert "chip and roll" shot to protect the end.

Standings after the first round robin are as follows:

Jan Patterson — 6 wins; 1 loss.

Bess King — 5 wins; 2 losses.

Liz White — 4 wins; 3 losses.

Noreen Crooks — 3 wins; 4 losses.

Marge Armstrong — 3 wins; 4 losses.

Olive Bruens — 3 wins; 4 losses.

Alice Mills — 2 wins; 5 losses.

Myra MacKinnon — 2 wins; 5 losses.

## BOYS' BOXING

The Griesbach Boys' Boxing Club has been fairly active during the past month. On December 3rd, we had five of the boys competing in Jasper Place against the Jasper Place Boxing Club. Results were as follows:

Ace Laboucaine — lost a real squeaker to Billy Laforge.

Ricky Hicks — was out-pointed by Sonny Christianson. The latter had too much power for our boy.

Ricky Robertson — won over Johnny Ioustad. An excellent fight with Ricky winning hands down.

Mike Irvine — had real tough luck running into the heavy punching of Norman Letendre. Mike unfortunately had to retire in the first round.

Barry Thibodeau — lost another squeaker to Jim Titlay. This was the best fight of all.

On December 9th, the boys again went at it downtown against the Federation Boxing Club. This time we put on a real show with the following results:

Donald Hawn — won over Bill Conley. Donald had too much power but had bad luck during the fight as he dislocated a finger.

Barry Thibodeau — lost a real close one to Colin Ross. Barry won the last two rounds but started late. A real tough fight.

Ace Laboucaine — lost to Johnny Billingsley. The latter being very strong but Ace although he pressed constantly, could not master the other's defence.

Mike Irvine — lost to Sandy Dunn. This was a rough one to lose as we think Mike was fouled. He was hit low and unable to continue.

Also during the bouts held by 2 PPCLI we had six of the new boys fighting exhibition bouts. They really looked good with all fights ending in a draw. The boxers were:

Ronald Harris vs Phillip Levesque.

Tommy Cormac vs Billy Harris.

Roger Levesque vs Billy Crazier.

League games will re-commence on January 8th with game number 8 of the schedule

Good surling, good sportsmanship and the best of greetings for the festive season to all.

# Men's Curling League

The first round robin series has been completed with the top winners of each section as follows:

## Section "A"

Sgt. J. G. Willerton and Major A. J. Callaghan (tied).

Section "B" Sgt. W. L. Johnson.

Section "C" Sgt. J. T. Dunn and Capt. R. J. Ward (tied).

So far there have been only 7 or 8 entries for the British Consol Playdowns. The cost is only \$12.00 per rink, with the winners representing our Club and will receive sweaters in the club colours. The list is on the notice board in the curling rink, so let's have more entries. The elimination spiel will have to be run early in January.

# GOLF

## ONLY ONE HUNDRED DAYS UNTIL GOLF!

So perhaps we golfers should come up with some good New Year's resolutions. Like:

I resolve to keep my eye on the ball and to quit peeking!

I resolve not to tread on my opponent's ball in the rough (unless he's not looking).

I resolve to wave through players from behind when I can not find my ball (besides I might find the new Titleist I lost last summer, if I look hard).

I resolve to sacrifice that extra fifty yards on long shots to obtain accuracy (I'll only plan on driving a cool 250 yards).

I resolve (even if I belong to the curling club) to turn off the ice machine on 10th April and to get down to some Serious Sport.

I resolve to turn in all my score cards to the handicap committee, even the good ones.

I resolve to spend no longer on the nineteenth hole than I do on the other eighteen.

I resolve to get the heck off the green and mark up the scores on the next tee.

I resolve not to practice boomerang throwing with my number one wood when I have just scorched a fifty-yard dribbler off the tee.

I resolve, if a beginner, to buy my own golf clubs and enjoy the pride of ownership.

I resolve to refrain from kicking my opponent's ball back into a sand trap when he has turned his back and is reaching for his putter.

# 6th Griesbach Pack

Irene Mayer — Brown Owl

The Brownie season started out with so many Brownies and Brownies-to-be, it was necessary to form a new pack. We have a full pack of eager beaver Brownies willing to learn and ready for fun.

Since starting, we have had eight enrolments: Judy Funk, Sandra Darling, Arlene MacDonald, Louise Lachapelle, Linda Prouty, Christine Greenley, Jennifer Payne and Paulette Goddard.

On October 17th Mrs. Patterson presented the three following Brownies with badges earned while they served with her pack: Connie Brothie, Collector's badge and 2nd Year Star; Joyce Rooks, Golden Bar and 2nd Year Star; Joanne Moody, House Orderly Badge.

Other Brownies receiving stars and badges are Linda Pointer, 1st Year Star and Golden Bar; Darrell Hall, Golden Bar and Swimmer's Badge; Linda Moody, 1st Year Star; Julie Head, 1st Year Star.

We had a Hallows'en gathering with the 3rd Griesbach Pack. The Brownies after making their rounds, came back for a sing-song and hot chocolate. The girls were very generous in sharing their hand-outs which were donated to the Oliver Mental Hospital, for their Christmas Bazaar.

Joyce Rooks walked up to Guides on November 28th. We know you will also do very well in Guides, Joyce.

We are having a Christmas party and parents' night on December 19th. The Brownies are looking forward to entertaining their parents.

With the help of my Tawny Owls, Mrs. Brothie and Mrs. Moody, we hope to accomplish more in the coming year.

From the 6th Griesbach Pack a Happy New Year to all.

# PROMOTED

Edmonton, Alta. — 2nd Lieutenant Robert E. Furry of Hamilton, Ont., has been promoted to the rank of Lieutenant, it was announced recently by Army headquarters.

A member of the Royal Canadian Army Service Corps, Lieut. Furry is employed with No. 14 Company, Royal Canadian Army Service Corps, in Edmonton, Alta.

Prior to his present posting, he was with No. 2 Company, Royal Canadian Army Corps, in Lakeview, Ont.

## 10 S.D.B. NEWS

Going to press we pause to offer congratulations to Cpl. "Tom" Grant, our head chef (a whiff more garlic on the filet-mignon, Antoine) on his promotion to that rank. Also to extend a belated farewell to ex-members Lt. "Slim" Harrison, "Don" Henderson, "Red" Forrister, "Paul" Maillard, "Buzz" Pyett and "Jerry" Ritza. Bon voyage, fellows, and may all your ventures prosper.

It would seem that ticking the wily trout is a much more rewarding pastime than chasing the deceitful deer, or so our more ardent nimrods assure us. At any rate, empty-handed returns are definitely in vogue this season. Deep dark doubts occasionally plague us in regard to the amount of actual hunting carried out, as we call to mind the hunter who spent a week in the bush, and on departing mounted a plaque on the cabin wall "Killed — one case of Scotch."

At this writing Capt. Lawlor is busily engaged in conducting a Referee's Clinic (hockey, naturally).

Main aim: Supply efficient officials for Griesbach Boys' Hockey League.

Ultimate aim: Perfect the skills and knowledge (in job training) absolutely necessary for good officiating; stressing lack of bias, impartiality on the part of

the official body.

Presently enjoying a spot of well earned leave are RSM (WO1) Donhou, S/Sgt. Cunningham and Sgts. Commance and Ridgewell. Recently returned from a dose of the same medicine, looking rested and happy are S/Sgt. Johnson and Sgt. Grigg. Welcome back to the Labours of Hercules, fellows, and isn't it remarkable how quickly those days flew by?

A recent posting has added S/Sgt. Marshall to our happy family. Happily escorted in PMQs we are looking forward to seeing that dour face in the curling rink and bowling alleys.

In the boulder throwing department, the Wood rink, Skip "Al" Wood, report a slight regression from the date of last publication, and now stand at nine won, four lost. Seems they were sweeping along at a great rate but met three strong rinks in succession and went down to defeat thrice.

Reports coming in from the Strike and Spare front indicate a slight loss in standing on the part of the "Freddy" Lewis mixed team. This somewhat alleviated by High Single "Mae" Lewis and High Triple "Lil" Wood on November 29th. Actually the standing is not too bad, top half to top three quarters.

Finally, as a reward to those readers who have manfully progressed this far, HAPPY NEW YEAR.

## Edmonton Provost Detachment News

Once again the winter season is with us. The season of glad tidings, great joy and Dangerous Driving. The conditions for the latter of these three are evident to all of us every day, frosted windshields, ice and snow-covered roads, etc. Coupled with all of these are some very important facts the average driver tends to forget. Children do not play ball in the winter but they DO play hockey, skate and sleigh on the streets and drives. They will not be looking for cars but the drivers must look for them, and be prepared for them.

The Dominion Bureau of Statistics has issued its report on Motor Vehicle Traffic Accidents for the Province of Alberta for the year 1959. It is interesting to note that during that year there were 1,018 traffic accidents between the hours of 12:00 noon and 1:00 p.m. and 4,105 between 4:00 p.m. and 6:00 p.m. During this same year the greater number of accidents, 13,949, occurred during daylight hours. Although these figures cover the complete year, 5,432 took place on ice or snow covered roads. When one considers that these figures are for this province as a whole, the tendency might well be to think the Griesbach record is good. However, from January 1st, 1960, to the time of this writing, accidents in Griesbach have cost the owners of private motor vehicles \$2,534.00! Is this an amount we can afford?

Enough of the grim statistics for now, on with the more pleasant side of things. We welcome back L/Cpls. King and Davies from the Edmonton City Police where they have been attending a Municipal Police Course for the past six weeks.

Presently being held at this detachment are a number of privately owned articles ranging from children's sleighs to skis, all found during the past several months in the Griesbach area. Subscribers are urged to contact Edmonton Provost Detachment in the event of losing anything of this nature.

At this time the Edmonton Provost Detachment would like to thank one and all for your co-operation during the last year and wish you the best for 1961.

## 14 Company Royal Canadian Army Service Corps

In the midst of the Merry Christmas Season, we wish to welcome back Cpl. T. R. Johnston who recently returned from a tour in the Middle East, also a warm welcome to our new personnel recently posted to the company as Transport Operators. They are Pte. P. J. Marshall, Pte. L. E. Gooley who came from the RCASC School, Pte. Cholock and his family, just returned from a tour in Europe.

Recent successful candidates on Tpt. Op. Gp. 3 course held at the RCASC School, Camp Borden, were Cpl. T. A. Newby, Cpl. I. G. Maddock, Cpl. E. A. Wilson and Sgt. G. F. Taylor. Other personnel having completed courses at the school are Cpl. Astles, Cpl. E. T. MacLean on Clerk RCASC Gp. 3, Lieut. W. A. Percy, Capt. L. A. P. Gemmill attended Food Services Officers' course.

Sport side around the company looks very good. In the Griesbach Curling Club, the RCASC team under their Skip Capt. R. V. Ward, are doing very well in Section "C." They are tied with another team for the top position. And in the Western Command mixed bowling race, the Hi Spots who were hanging on to third and second place all through the first half of the season, have managed to grab the top position. "Way to hop that team, Marion." Our other team who dominates the very bottom end of the league, (thanks to Sgt. Durand's fouls) and love it, the Wagon Wheels.

Our annual Christmas dance was held way down under in a cosy place called "Cliff's Cave" and was a tremendous party.

## EXPLAINS DISPATCH SIGNALS

## CANADIANS SET UP SHOP IN CONGO

Busily unpacking their signals equipment are four Canadian soldiers of 57 Signals Squadron in Leopoldville. When fully operative, the Canadian signals network will link all United Nations bases in the Congo to the main headquarters in Leopoldville. Shown are from left, Sergeant Herb Harris of Kingston, Ont., and Edmonton, Alta.; Corporal William Brenner of Edmonton, Alta.; Signalman Bob Jackson of Montreal, Que.; and Corporal Harry Webster of London, Ont.

## Old Vet at Twenty-seven

SOEST, Germany. — When soldiers talk about length of service, Private Ralph McKay of Springhill, N.S., can, at the age of 27, come up with a story which would make even the most grizzled veterans blink.

Pte. McKay, a Royal Canadian Army Service Corps driver who was recently posted to Germany for a three-year tour of duty with the 4th Canadian Infantry Brigade Group, can boast of 11½ years pensionable service, part of it dating back to 1944 when he was 11 years of age.

As he explains it, "In 1944 I joined the band of the North Nova Scotia Highlanders as a band boy. I was eleven years old

then and played the French horn. I remained with the band until joining the Regular Army in 1950."

When he became a full-time soldier, Pte. McKay claimed his previous service with the militia for pension purposes, and much record searching took place before the Army decided that his service between the ages of 11 and 16 was indeed Militia service rather than cadet service. Pte. McKay was then credited with 1½ years pensionable service — one-quarter of his service years in the militia.

With 11½ years of service behind him, Pte. McKay hopes to set a long service record before retiring. "I'll probably finish

up with something like 35 years service if I retire at 50," he commented.

Before being to Europe in October, Pte. McKay was stationed at Camp Gagetown, New Brunswick.

## WORD OF ADVICE

There are only two ages at which a man should think of marrying — at twenty, when he doesn't know what is going to happen to him; and at eighty, when he doesn't care.

## Emphasize Casualty Evacuation

Edmonton, Alta. — A two-day national survival exercise concluded here December 13th, when 500 men of the 2nd Battalion, Princess Patricia's Canadian Light Infantry, commanded by Lt-Col. C. J. A. Hamilton, returned from Camp Wainwright with a 79-vehicle convoy.

The exercise, dubbed, "Ground Zero", was designed to train the battalion in its role in national survival for re-entry into an area that had been atomic blasted and evacuate the casualties.

Leaving Hamilton Gault Barracks, Monday, the Patricia's staged overnight in Camp Wainwright, moving out before dawn Tuesday after a hypothetical atom bomb had gone off at 6:00 a.m.

"Casualties" were found on roofs of buildings, ditches and inside "bombed" buildings.

In one hour, 104 men, acting the part of injured civilians, were removed to a casualty sorting section operated by a medical section from No. 3 Field Ambulance, Royal Canadian Army Medical Corps.

Commanding officer of the battalion, Lt Col. C. J. A. Hamilton, expressed satisfaction at the results of the training. "We learned lots of lessons, and the exercise

## License Salesmen

Safeguard to the consumer are the individual licenses now required by Alberta statute by door to door salesmen in the Province. The licenses which list the salesman's name, company and product, must be produced on request from a prospective customer.

The regulations requiring the licensing of direct salesmen are contained in amendments to the Licensing of Trades and Business Act which came into effect August 1, 1960. They are administered by the Department of Industry and Development.

Affected by the regulations are salesmen selling door to door, soliciting orders for goods for future delivery, and soliciting persons to enter into a contract whereby the person has the right to thereafter purchase goods. This includes direct mail and telephone solicitation. The order does not affect farmers selling produce raised in the Province or an employee of a farmer who has written authority to sell goods direct to the consumer.

Any corporation or company engaged

was highly successful," he said.

On completion of the exercise, the battalion returned by convoy to Edmonton. There were no accidents during the convoy trip both ways.

### Engineers Complete Course

Edmonton, Alta. — A one-week course in national survival was conducted in December at the Alberta Civil Defence school in Edmonton for army engineers from Griesbach Barracks.

Sixteen members of No. 13 Works Company, Royal Canadian Engineers, took intensive training in the employment and organization of a mobile support column in national survival. The course consisted of casualty handling, rescue operation and the reconnaissance of damaged areas.

Staff Sergeant Wilf McNeil, of Moosomin, Sask., one of the instructors for the course, said the men are being trained in how to rescue surface casualties, lightly trapped casualties in slightly damaged buildings, exploration of likely survival points, selected points of debris removal and systematic debris removal. This is done in five stages and is called the rescue and closing of the site of damage.

Other instructors on the course from the Alberta area instructional staff are Ser-

geant Ray Pilote of The Pas, Man., and Sergeant George Nevalin of Edmonton.

### SLIGHT DIFFERENCE

The Vicar had been induced to preach at the prison. In the vestry he confided to the prison chaplain: "Now that I am here I really don't know what to say to the men."

"Just preach as you would to your own congregation," suggested the chaplain, "only remember — my people have been found out . . . yours haven't yet!"

## 224 Workshop RCEME

The old saw about Nature providing has a certain untarnished ring to it. Looking back upon summertime there was the GD man who stood posing with a lawnmower in hand, moping his brow, and wistfully longing for the cold winter months ahead. Now you'll find him reposing against one-handed snow burner, whilst standing knee deep in precipitation, reflecting thoughtfully on the unfortunate events of Nature that led to his present situation — and surely longing for the green pastures of summer again.

In curling — the worst occurred — the Workshop "needle" match between Major Branston and Capt. Charles rinks, the latter skipped on this occasion by Sgt. Bill Kitchen, ended in a convincing victory for the latter. Ashes and sackcloth and much wailing were the prevailing features of the day.

One of our members of the unit has every reason to do a bit of wailing on his own. Coming home and discovering a trail of red paint leading to the basement. Further investigation confirmed his suspicions when he spied his little daughter, busy applying a coat of glaring red paint to a new white frig.

It is possible now that the world may have lost a Picasso or a Matisse — as a complex is built right in where it hurts. Such industry, he deemed should not go unrewarded, so Joe decided to do a bit of painting himself — right where it would do some good. We understand that he has now a pastel pink frig (the coming shade for a modern home).

Lieut. Dzuba has an elk to show as o

recent hunting trophy. Cpl. Wilson is taking annual leave and won't be back until April, 1961. He attends a Sr. NCO Course at the Corps School — good luck, Jack. Cpl. Allen in keeping with the season, took high single in the Bowling League and won himself a turkey. Cfn. Chouinard departed for Calgary after spending a few weeks helping out the Small Arms Section.

Congratulations are overdue to S/Sgt. Lyle Walker on his recent promotion to Staff Sergeant (the initiation has already been celebrated at the Sergeants' Mess).

Sgt. Barker reports from 13 Coy RCEME to 6 Coy RCEME, Halifax. Hoping for a last minute "reprieve" (a doubtful one). Al should be enjoying the balmy East Coast air on or about the 13th of January. Sorry to see you go, Al. Friends of Miss Audrey Shebick inform us that she is heading for the sunny parts of California, for a well-earned holiday.

We join with HQ 13 Coy RCEME in welcoming Cfn. Hamilton from the land of the Sphinx. We are also pleased to welcome back an old friend SM (WO1) G. Norbury. Mr. Norbury is now connected with a new, important and interesting task.

In connection with Survival Operations — five members of the Workshop, Sgt. Michniuk, Cpls. McGuire, Post and Wilson together with Cfn. Buckley completed a highly praised First Aid Course.

365 days have sped by and receded into history; but there is plenty of hope for the New Year ahead; at least there are some who hope so.
